Re: In re Pharmaceutical Industry Average Wholesale Price Litigation
MDL No. 1456, Civil Action: 01-CV-12257-PBS

Dear Judge Saris:

On October 18, 2012 I sent you a letter requesting a status conference on the payments awarded by mediation held before Eric Green three years ago from the Glaxo settlement in this matter. Since that time, we have received the payments authorized under Judge Green's mediation proposal and your subsequent Order. Therefore, a status conference as I requested in that letter is not necessary.

I have also contacted my colleagues in Arizona, Connecticut, Montana and Nevada and they either have received their money from the mediation, or are in the process of making arrangements to receive such funds. All are also satisfied that no status conference is needed.

Thank you very much for your efforts in this matter. If you have any further questions, do not hesitate to contact me.

Very truly yours,
